Implemented by

Dear Applicants,

This document will give you an overview of the questions and required information that you will have to provide while applying for this programme. Please be aware of the fact that this **is not** the application form. You can fill out the application form **only through the online platform**, available on the following [link](#).

Information that you will have to provide include:

BASIC INFORMATION OF THE SCHOOL EXCHANGE PROPOSAL

1. Title (of the proposal)
2. Locations of the first school exchange and the second school exchange

A. YOUR SCHOOL EXCHANGE IDEA

1. Please describe your idea for the school exchanges.

[In this section, we are interested in overall intention and your idea for each exchange, the locations they are planned to be implemented and the indicative timeline.]

1st Exchange

2nd Exchange

2. What is the local context that you and your co-applicant are in? How are young people in your environment affected by it? How will these exchanges address the challenges and opportunities for young people in your local communities?

[In this section, we are interested in better understanding the local reality of the partners and participants in terms of reconciliation, intercultural cooperation, and youth inclusion. We would also like to see where the youth participating in the exchange comes from and what are their surrounding social conditions.]

3. Please describe how students will be included in the design and the implementation of school exchange activities?

[Please explain how students will be involved in the process of problem definition and the activities design and how they will be included in the implementation.]

4. Who are the potential participants you want to bring together with this exchange and why? Will the exchanges include marginalised and unprivileged youth? If so, please outline which marginalised and unprivileged groups will be targeted and how you plan to reach and select them?

[Here we want to know who your target groups are and why you think it is important that they are included in the school exchanges and interact together. What are the identified needs of the target group? Also, please describe how you plan to reach them and conduct the selection process and if you plan to engage youth from the most excluded groups such as: young people with disabilities, marginalised groups based on race, ethnicity (such as Roma, Ashkali, Egyptians, etc.), religious identity, gender and sexual orientation, or youth with fewer opportunities (youth from rural/remote areas, youth with unprivileged educational and/or economic backgrounds, etc.), youth without parental care and youth exposed to conflict.]

B. YOUR PARTNERSHIP

1. How was the partnership between your schools developed? What are the challenges you are trying to address relevant for both partner schools? Have you collaborated within the same partnership before? If yes, explain when and how.

[Here, we would like to know why you chose to work together in this exchange and why is your partnership relevant to address the issues and reach the objectives identified in your exchange idea and also if you have any previous experience working together.]

C. LEARNING OUTCOMES

1. What do you hope to learn/ achieve from these school exchanges and how do you intend to use them to benefit your local communities?

[We also wish to know if and how you plan to develop your capacities and provide your target group with similar opportunities. We are interested to hear how we can best support you during the implementation.]
